Microsoft MS Windows XP Home Edition

Part number: N09-00048

Unlock the full potential of your personal computer with Windows XP Home Edition. Windows XP Home Edition gives you the freedom to experience more than you ever thought possible with your home computer and the Internet. If you've always imagined you could do more with your computer, your vision is about to become reality. From digital photos, music, and video to building a home network, Windows XP Home Edition brings you into the digital age with ease. A new visual design, a new Windows engine, and new Internet security features combine with capabilities for sharing your computer, keeping it in shape, and accessing today's online services to give you the most dependable Windows operating system yet.
